

2019 Minnesota Trapper Education Certification Field Training

Persons born after December 31, 1989, who have not been issued a trapping license in a previous year, may not obtain a trapping license without a trapper education certificate.

This training is presented by the Minnesota Trapper's Association.

The minimum age to attend this class is 11 years old.

Persons interested in participating in this training must pre-register by contacting Matt Hartzler at phone number 218-377-4395.

This is a two-part training:

- 1.)** Prior to the field training, participants will be required to complete the **on-line course** through the MN Trappers Association website at (mntrappers.org), and bring the completion page with you to the field day portion of the training listed below.
- 2.)** An 8-hour trapper instruction **field day** will be held on Saturday, September 28, 2019, from 8:00 am to 5:00 pm, at the Matt Hartzler residence located at 4361 Co. Rd. 97, Int'l. Falls. Bring a bag lunch and dress appropriately for the weather.

Minnesota Trapper Education Instructors: Matt Hartzler and Lloyd Steen.
