

## JUNIOR PELT HANDLING REVIEW

Once again, we are going to have the Pelt Handling Review for junior trappers. This is for anyone under the age of 18.

Junior trappers should bring in their pelts and have them reviewed by the judges of the pelt handling contest. The judges will be able to talk to you about your put up and give you tips and tricks to help you put fur up in the future. A lot of information will be shared to try to help everyone improve their pelt handling skills. Remember this is a positive opportunity to help you to verify if you are on the right track or be able to get some helpful advice on your pelt handling skills.

These four species are a great starter: muskrat, mink, weasel, and raccoon, but if you have put up something else, feel free to bring it in.

We would like to thank Cumberland's for donating the participation gift for the Junior Review. Every participant will receive a prize.

A note to all participant: Please be sure that your pelts are completely dry and wiped down. Do not rush them. Please plan your pelt handling time accordingly. Also, Junior members can enter the Pelt Handling Contest.

You can bring your pelts to the pelt handling contest area between 8 – 10:00 to be reviewed.

We hope you consider bringing your pelts in for review. See you in Brainard in January.
