

Tom Bozer Presidential Award 2023

All three days of the convention you will find this guy near the big raffle wheel. Tom's been doing the raffle for since 2016. Working with him at board level it is obvious that Tom's has the passion for trapping and sees being the chairperson of the Raffle Committee an important role for the MTA. Many years behind the seen organizing the raffle tickets, mailing, collecting and keeping track of thousands of tickets.

Tom presently serves as a MTA board member and director for District 4. Which he has served for approx. 11 years. You would see him at most of the meetings. He was great is sharing thoughts and ideas. Tom is stepping down as a director for District 4 and I want to say thank you for serving.

He spends countless hours all on behalf of the Minnesota Trappers Association. Most of these hours are behind the seen. Tom takes this role personal and serious and for all MTA members we own this man a word of gratitude.

Would you please join me in presenting Tom Bozer a Presidential Award for 2022.

Sincerely submitted Brian Fischer.
